- WSCA Computer Agreement with NetApp  
The issue that was delaying completion of the contract (compliance with E-Verify) was resolved but new issues have arisen with other required State clauses (insurance requirements). Continuing to work with NetApp on their exceptions.
- WSCA Computer MPA with Apple  
Continuing to negotiate new PA, no completion date anticipated. Negotiations have yielded results recently but no anticipated completion date is available.
- License Agreement with ORACLE  
Continuing to negotiate new license agreement. No anticipated completion date.
- WSCA MPA with SUN  
Given the Oracle/Sun merger, the discussions on this PA are paused until the Oracle ELA is completed.
- License Agreement with ESRI  
Lingering issues over state insurance and indemnification clauses remain to be agreed

to. SPO hopes to conclude this agreement prior to the current license agreement's expiration on June 30, 2010.

- **WSCA Software Value Added Reseller (VAR) – New Solicitation**  
WSCA Directors have authorized Arizona to proceed with an interstate cooperative procurement for Software VAR. SPO is developing the sourcing team now. Representatives from several states will be joining us. The solicitation's anticipated publication is this Summer.
- **Telecommunications Carrier Services – New Solicitation**  
Solicitation is closed. Offers are now in evaluation. Anticipate awards in the next several weeks.
- **WSCA Wireless – New Solicitation**  
Being developed now, to be lead by State of NV, sourcing team now forming, Arizona will be represented.
- **WSCA Office Panel Systems (Office Furniture)**  
Arizona is participating on the sourcing team lead by the State of Utah. No estimated date of publication yet.
- **NASPO/WSCA Mailing Equipment – New Solicitation**  
Given the significant interest expressed by non-WSCA states, the WSCA Directors referred this cooperative procurement to their parent organization, the National Association of State Procurement Officials (NASPO). The State of Massachusetts has already committed to participate on our sourcing team. NASPO Directors meet this week and will vote on Arizona's leading this interstate cooperative procurement. The solicitation is anticipated to be published by late Summer.
- **Job Order Contracting (JOC) Program Development and Implementation – New Solicitation**  
Solicitation closed and is in evaluation now. Anticipate award within 4-6 weeks.
- **Software AG ELA**  
Currently in negotiations. No anticipated completion date.
